- **We, M/s Info Solution Co, have provided these service – Goods, for obtaining details of HS Codes without Explanatory Notes. HS (Harmonized System) being an international classification system standardized between countries at a basic 6-digit level, with country-specific definitions for the 8 and above digit levels.**
- **The visitor upon selecting Goods, has the option to select any the Zones, namely: HS International (World), HS Bharat (India), HS USA etc.**

## **Brief about HS Numbers:**

**HSN stands for 'Harmonized System Nomenclature.' The WCO (World Customs Organization) developed it as a multipurpose international product nomenclature that first came into effect in 1988 with the vision of facilitating the classification of goods all over the World in a systematic manner. At the international level, the Harmonized System (HS) for classifying goods is a six-digit code system.**

**The HS-International (World) comprises approximately 5,300 article/product descriptions that appear as headings and subheadings, arranged in 99 chapters, grouped in 21 sections. Up to the HS-6 digit level, all countries classify products in the same way (a few exceptions exist where some countries apply old versions of the HS).**

**While the primary purpose of the HS number is the systematic classification of goods, The result is an efficient international trade system.**

**The HS-International (World) category contains:**

- **21 sections.**
- **99 chapters.**
- **1244 headings.**
- **5224 subheadings.**

**The structure of HSN has about 21 groups, and these groups are further classified into 99 chapters. The chapters are then divided into headings that are about 1244 in number. The headings are subsequently divided into 5224 subheadings. In the code itself, this plays out in the following manner:**

- **Each Chapter is named as a two-digit HS number.**
- **Each two-digit HS number is sub-classified into a four-digit HS number.**
- **Later, such four-digit HS number are further sub-classified into the six-digit HS number.**

**We have also provided Goods Categories of other different zones, wherein the Zone-HS numbers including associated details, can be obtained upon making payments.**

- Upon selecting any of the above options, a list will appear as under -
