- **We are providing this search facility on our website for extracting the details of HS (Harmonized System) being an international classification system standardized between countries at a basic 6-digit level, with country-specific definitions for the 8 and above digit levels, SAC - Service Accounting Code & SIC - Standard Industrial Classification, codes with their Explanatory Notes.**
- **The visitor has the option to select either [Search Goods Codes](#) or [Search Service Codes](#) for searching the desired information.**
- **Upon selecting either of the above mentioned Goods or Service Codes, the visitor is then guided step-wise for extracting, the required information from our database.**

- Upon selecting the Goods code the visitor has been provided with several options to select any of the zones displayed, i.e. HS India (Bharat), HS International (World), HS USA, HS CHINA, etc. If the visitor selects Service Code, the visitor is provided two options to select, namely either to select SAC - Service Accounting Code or SIC - Standard Industrial Classification.
- Further, upon selecting the desired options, as mentioned above, the visitor has been facilitated to either to enter the Code number or to take help of the dropdown selection/s provided. The dropdown may vary according to the codes structure. However, the understated dropdown structure provides an example for reference only. The actual structure of the dropdowns can realised upon visiting the desired webpage/s.

Under Goods Codes – Zones, the following dropdown menus have been provided, namely – Section, Chapter, Heading, Sub heading and Description.

Under Service Codes – SAC/SIC, the following dropdown menus have been provided, namely – Section, Heading, Group and Description.

- The structure of search and dropdowns are specifically designed separately for each Goods Codes and Service codes. These structures for Search are modifiable by the company.
- Upon either entering the desired code or upon completing the process of selecting all the desired dropdown, the visitor has then option to either select **Proceed to get full details after Payment** or to **Re-select the above options**.

The screenshot shows a web interface for selecting HS codes. At the top right, there is a 'Search' button. Below it is a text input field labeled 'Enter 10 Digit HS Number'. In the center, there is an 'OR' separator. Below the separator, there are five dropdown menus arranged in two rows. The first row contains 'Select Section' (with a '-Select-' placeholder), 'Select Chapter' (with a 'Select One' placeholder), and 'Select Heading' (with a 'Select One' placeholder). The second row contains 'Select Sub Heading' (with a 'Select One' placeholder) and 'HSN Code' (with a 'Select One' placeholder). At the bottom of the form, there are two buttons: a blue button labeled 'PROCEED TO GET FULL DETAILS AFTER PAYMENT' and a red button labeled 'RESELECT THE ABOVE OPTIONS'.

- After selecting the option to proceed for getting full details, the visitor is then guided to the next step for entering the required details, being mandatory, so that the desired information about the codes and TAX invoice automatically generated is sent to the desired email as specified by the visitor.
